

IT WAS SOLD AS CORN.

Why Rice Is Not Mentioned in the Bible.

A book before us says: "Rice is not mentioned in the Bible, as it did not grow in the countries in which Bible happenings occurred." We think the author is mistaken. The fact that the word "rice" does not appear is no evidence of the non-existence of a product that in the Bible era was feeding the majority of the world's people.

From the earliest ages the blanket expression, "corn," has been used to cover all manner of grains and seeds used for food. In England the word now applies to barley, oats, and more especially wheat; in Scotland it usually means oats, while here it only refers to maize. The word "corn" frequently occurs in the Bible, and when we consider the enormous commerce of Palestine, particularly in the days of Solomon, it is natural to suppose that rice was among the imports, and that, like wheat and other grains, it finds shelter under the market term, "corn."—Aberdeen Examiner.

Independent Indians.

The Iowa Indians in Oklahoma Territory have just closed a lease with the Kaw tribe for 15,000 acres of land in the reservation of the latter tribe. The Iowas will erect a village there and live off the rental of their fine allotted lands east of here, which they are leasing to white farmers. They say they are tired of living apart on their allotments, scattered among the whites, who will not associate with them, and who use every opportunity to cheat them; and, being citizens, they propose to live as they please and be no longer bossed by the Indian Bureau.

Yales' La Freckla

is Mue. Yales' infallible cure of freckles, Tan and Sunburn. It is the only remedy ever compounded that will remove freckles completely and surely.

The fairer and more delicate the skin, the more likely it is to freckle and the worse it will look after it is freckled.

Thousands of women, otherwise beautiful, are disgraced by these unsightly, brown blotches. Nothing will hide them. They are a source of misery, but they can be cured. La Freckla is the death-warrant to freckles.

The preparation of La Freckla is one of Mue. Yales' greatest achievements. There are many imitations, some of them very dangerous and harmful to the skin; none of them really effective. For safety and certainty, insist always on getting the genuine and original La Freckla.

Made Well.

Cured of Kidney Disease,

Sleeplessness, Rheuma-

tism, and Nervousness.

WELLS, RICHARDSON & Co.,

Gentlemen:—For some years my kidneys have been affected, and a mild form of rheumatism afflicted me.

The worst affliction from which I suffered more or less for ten years past has been insomnia and its natural results, extreme nervousness. This grew so bad that it was often difficult for me to write my name legibly. Paine's Celery Compound has cured me of the insomnia and nervousness, so that I again enjoy refreshing sleep.

For some months last year I suffered acute pains in my chest, which almost nightly compelled me to arise from bed and walk the floor or sit up for hours. A recumbent position brought on the pains day or night; the position assumed in writing also caused them. I have been happily relieved of these various disorders by Paine's Celery Compound, and now enjoy better health than I have experienced at any time in the previous ten years.

I shall advise my friends, one and all, to try Paine's Celery Compound for such ills as I have suffered from.

Yours truly,

Charles Prosch.
